

Annual Report 2023-24

Introduction

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.” Georgian Public School believes in the holistic development of students and strives to upgrade them in all levels. Our methodology aims to make students complete enough to face the real world around them. so our young learners benefit from our specialized support and the expertise of qualified, trained teaching staff. They are offered a wide range of scholastic, sports and cultural experiences through Interschool, State,& national exposure. We believe that technology facilitates learning, makes it interesting and applicable. It is incorporated in all aspects of our methodology to promote active learning so that students gain expertise in analysis and comprehension of acquired knowledge. We can proudly say that our school is one of the best in Alappuzha district.

Today when we celebrate Jahrestag , the annual day of our school, we have Fr. Thomas Karakkad, a man with extraordinary vision, in the principal chair, being a strong pillar for us.

1. School re- opening

Georgian Public school stepped into its 27th academic year on 1st June 2023. The day began with a solemn prayer ceremony at St. George Forane church. The principal Fr. Thomas Karakkadu welcomed and blessed the students

19. Children's Day

Georgian Public School celebrated Children's day on 14th November, 2023, with great festive fervour. Panchayat president Smt. Liji Varghese inaugurated the function. Kindergarten kids made the day memorable with their astounding performances. Manuscript magazines created by each class were also unveiled.

20. Various competitions and achievement

" One secret of success in life is for a man to be ready for his opportunity when it comes."

School never failed to bring new opportunities for students to showcase their talents. Various scholarship examinations were held and it was a chance to illuminate their capabilities. Georgian exposes our students to many of them. Students are getting exposure to various inter and intra school competitions and are making glorious achievements.

21. Examinations

Examinations are an integral part of formative and summative assessments. Monthly & period tests are often arranged for every class. For class 9 & 10, as per CBSE's new directive exams are held in preparation for the board exams. Model exams are also held.

22. Open houses and class PTA

Class wise PTA's and open houses are routine forums for teachers and parents to discuss the performance of the students. Personal meeting session with the principal is also arranged in special scenarios.

23. CCA

Co - curricular activities are a fundamental part of the school curriculum. School provides karate, yoga, dance and music classes along with coaching in carrom, chess, table tennis & badminton as per the students interest. Every child who enters the gate of this institution will be highly trained in many activities

24. Study Tour

"One's destination is never a place, but a new way of seeing things "

Experiences are the best lessons . Tours and picnics are also part of Georgians learning experience. Tenth class students along with principal and teachers explored Mysore and Coorg on 15,16,& 17 th November.

25. Orientation class for students

An orientation session for students from class 6-10 was arranged on 22nd November 2023. Mr. Sibin Antony M Varghese, who is a motivational speaker, educationalist & behaviour therapist led the sessions. Active discussions & games made the students agile. The class encouraged them to be the best version of themselves.

26.Sahodaya Competitions

Georgian buds showcased their talents and achieved prizes and grades in various sahodaya competitions hosted by SDV school Alappuzha & Holy Angels Public School, Pallipadu. . The Georgian family is really proud of them.

27. Assembly

Morning assembly is an integral part of the school curriculum. Class wise assemblies are arranged before the beginning of classes. It is practiced in a way that students will be updated and acknowledged.

28.Guidance & Counseling

Guidance and Counseling sessions for students are frequently arranged to give proper motivation and guidance to students, especially for those who are in their adolescence.

29. Health is wealth

Students' health is the real wealth of a school. School arranged a Mobile Food Safety Program on July 25 2023. We had also been part of the balamitra program and screening leprosy disease Programme arranged by the government of India.

30.Creative Corner

Creative and aesthetic abilities of the students should be cherished and encouraged. Our school possess a creative space for students to

showcase their artistic works and thereby draw out their inner artist before everyone.

Conclusion

Many milestones have been achieved and many still have to be reached. We Georgian family will continue our unceasing efforts to mould the young minds into well balanced personalities with confidence.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during this year. On this memorable occasion as we recount our success with pride and happiness, we wish to dedicate all our achievements to the committed effort of our staff, management and PTA. I would like to conclude with the lines, "Don't tell us sky's the limit when there are footprints on the moon"!

Thank you.
